BY  
GEORGE  
BARR  
MCCUTCHEON

author of "Graustark"  
will soon be ready for  
our readers.

No book since  
"Trilby" took so  
great a hold on  
the popular fancy  
as "Graustark"

Taken completely by surprise.

## Brewster's Millions

as a masterful romance may not excel that other story  
of "blended love and episode" by McCutcheon, but it  
certainly equals it.

We've been through it and commend it with all  
our heart.

## Brewster's Millions

By the author of "GRAUSTARK"  
will be published in this paper.

Spartacus—"They say that tendencies  
suppressed in parents will crop out in  
children." Smarticus—"So I have  
heard. On that hypothesis the remark-  
able intelligence of your children is per-  
fectly understandable."

### ODD FACTS AND FINDINGS.

tinctive badge of baronets.

the tongue of a single whale.

much as 300 tons of coal per day.

ter-boxes of the United Kingdom.

are forbidden by the etiquette of their  
profession from riding in an omnibus.

Many paupers have lived to be 100  
years old, but there is not a single

age.

### PITHY PASSAGES.

It doesn't pay to borrow trouble if  
you have to pay for the privilege.

One of the unsatisfactory things of  
this world is a sensible love letter.

It is a good plan never to run your  
self down. Others will cheerfully do it  
for you.

It takes nerve for a widow with chil-  
dren who are married for the second  
time to be jealous of her husband.

Many people seek their own good, and  
then persuade themselves that it is for  
the good of others.

her generally.

## ACHED IN EVERY BONE.

Chicago Society Woman Who Was So  
Sick She Could Not Sleep or Eat,  
Cured by Doan's Kidney Pills.

When a woman's kidneys go wrong,  
her back gives out and every little task  
becomes a burden. She is tired, nervous,  
sleepless, run down—suffers daily from  
backache, headaches, dizzy spells, and  
bearing-down pains.

Don't worry over imagined "female  
troubles." Cure the kidneys and you will  
be well. Read how to find the cure.

Marion Knight, of 33 N. Ashland Ave.,  
Chicago, Ill., member of the Chicago  
Federation of Musicians and a well-known  
club woman, says: "This winter when I  
started to use  
Doan's Kidney  
Pills I ached in  
every bone and  
had in tense  
pains in the kid-  
neys and pel-  
vic organs. The  
urine was thick  
and cloudy, and  
I could barely  
eat enough to  
live. I felt a  
change for the  
better within a  
week. The second week I began eating  
heartily. I began to improve generally,  
and before seven weeks had passed I  
was well. I had spent hundreds of dol-  
lars for medicine that did not help me,  
but \$6 worth of Doan's Kidney Pills re-  
stored me to perfect health."

A FREE TRIAL of this great kidney  
medicine which cured Miss Knight will  
be mailed on application to any part of  
the United States. Address Foster-Mil-

rick's college, Thurles, Ireland, has  
been commissioned by the Vatican to  
visit the Philippines with the view  
of establishing Irish ecclesiastics  
there.

James Carey Walker, of Baltimore,  
a blind student for the ministry, has  
performed a remarkable feat of reduc-  
ing to the point system 11 chapters  
of the book of St. John and Hadley  
and Allen's Greek grammar in Greek  
letters.

Rev. Joseph Plum Cochran, who for  
many years has been a missionary phys-  
ician in Persia, has just died in Uramia.  
He built the first hospital in that coun-  
try and was at one time the only civil-  
ized physician in a community of 500,  
000 persons.

The dean of Canterbury says he has  
heard, and he believes there is great  
truth in it, that the practical wisdom  
of the Scottish people is due to the fact  
that at the time of the reformation the  
Book of Proverbs was hammered into  
the heads of the children.

Miss Eleanor Williams of London,  
England, for 12 years a preacher of the  
Gospel, occupied the pulpit in the Chat-  
ham Street Welsh Baptist church in  
Pittsburg lately and made so good an  
impression that a move has been set on  
foot to call the young Englishwoman to  
the pulpit. Miss Williams says she will  
consider the offer.

The late Bishop Dudley, of Louisville,  
Ky., some time before his death, which  
occurred in New York, was invited by  
some women friends to take luncheon at  
the Martha Washington, the woman's  
hotel. The bishop was a very absent-  
minded man and found upon arriving at  
the hotel that he had not been shaved  
that morning. Stepping up to the clerk  
at the desk, and much to the horror of  
groups of women, he asked: "Can you  
tell me where the barber's shop is in this  
hotel?"

church. He is 35 years old, was born in  
Leetonia, O., was educated at the Irish  
school in that town and at Notre  
Dame, to which he now comes as pres-  
ident, and was ordained in 1894. For

editor of Ave Maria, a well-known lec-  
turer and has been an industrious con-  
tributor to the current magazines.

### YARNLETS RARE.

One afternoon, during ex-Ambassa-  
dor Choate's recent return to this coun-  
try, the waves were unpleasantly high,  
and the ship was rolling a bit, to the dis-  
comfiture of some passengers. Mr.  
Choate remarked: "It is better to have  
lunched and lost than never to have  
lunched at all."
